Details for this race wil be published before - TBC

These are the details for KS2, KS3 & KS4.

Please put these details into your software; if you are unsure how to do this read the manual that comes with the software. You have to log on to the organisers page to make the necessary changes.

Track: Laps: Weather: see below

14:00 14:30 15:00 15:30 16:00

When you set up your team names please ensure that some part of the school name is used. The individual driver names can be anything.

When you have your winning car go to the organisers page and export this; again all details are in the manual and there is help for this on the how to page of this website.

Your car needs to be e-mailed to me no later than **5.00pm TBC**- The race will be run and the results published by **1.00pm TBC** .

Please note the winning cars for each KS will be sent to CSH for the national semi final on the TBC so I will not be able to delay this race if you fail to make the deadline

Please use the following format to name your car
